Acxius Announces the Opening of its Global Offshore Development Center in Pune, India

(Parlin, NJ March 2, 2007) - Acxius is proud to announce the opening of its Global Offshore Development Center in Pune, India. The Pune development center expands the ability of Acxius to offer services to its fast growing client base.

"We have seen significant growth in our client base and the level of interest in our services" says Biswa Bhattacharya, CEO and Founder of Acxius.

"The Global Offshore Development Center will help us cater to the growing needs of our clients" says Robert Scott, CTO of Acxius.

"The opening of Global Offshore Development Centre in India comes at very good time. With many new projects coming our way, giving us an ideal opportunity to provide even greater resources and choice to our clients", says the HR team from Acxius, US.

"The best thing about the Global Offshore Development Center is that we not only share resources but we learn and adopt some of the best practices of the US team and work in collaboration with them. As a result, there is a high level of synergy between Acxius India and Acxius US," says the HR team from Acxius, India
