

## **Acxius “dessert party” kicks off the New Year**

On January 14, 2010, Acxius hosted a “dessert party” at the Riverfront Recapture Boathouse in Hartford, CT. The dessert party was an opportunity to wind down the holiday season and to kick off the New Year with colleagues, partners, and friends.

The event also allowed Acxius leadership to thank invitees for their support and patronage. As a small token of this appreciation, guests were presented with mini-backpacks, perfect for carrying meeting materials, for a weekend day hike, and a host of other uses.

In this spirit of giving, dessert party attendees generously donated items to the Acxius food drive. Because of this generosity, Acxius was able to present Foodshare with over 70 pounds of non-perishable food items to support the many needs across the local community.

The Acxius dessert party proved to be great fun. More specifically, the party served as a wonderful venue to interact with friends and colleagues from locations near and far, and to enjoy the atmosphere of the Boathouse, fun music, and of course scrumptious desserts. As the photos show, there were lots of smiles and laughs, setting the stage for exciting times still to come in 2010 and beyond...[photos](#)
